BESPOKE PRODUCTION

Villa Garda is a Luxury Italian brand specialized in artisan furniture and handmade home accessories.

Every product is unique and exclusive, entirely handcrafted, a perfect combination of high-level artisanal skills and sophisticated knowledge of materials, aesthetic quality and clever design solutions.

The remarkable Italian charming signature is emphasized by an accurate attention to details to guarantee quality of product.

After numerous collaborations with elite clients and professionals, Villa Garda is delighted to introduce its completely tailormade new collections.

Villa Garda's creation widen from sumptuous walk-in wardrobes to totally bespoke TV units; from comfortable sofas to tailored refined rugs compositions. Bedroom furniture, dining sets, creative consoles, elegant lights, stylish wallpaper and much more are just some examples of what this Luxury brand could offer.

Focusing on the excellence of a living material with a great tradition, means believing in a "reliable" product.

Villa Garda proposes, for night furniture solutions, an elegant style, where every details is designed to achieve the best quality of the product.
